

## **CARNIVAL**

### **07.02.2019**

**On the 7th February 2019 we celebrated carnival in our school.**

All kids and members of staff came to school with beautiful and crazy costumes. Mrs. Richter, dressed as a clown, started the day with a funny welcome.

In the first two hours every class played nice games with their class teacher. After the break all children could visit the other classrooms on the first and second floor to play funny games.

We could ride on a cloth and win sweets with Mrs. Ehrhardt. Mrs. Berg also had a fantastic game: with the help of a needle you had to put a tail on the donkey. There was also a game called “Catch the Food” with Mrs. Richter and Mrs. Hermann, that was fun. In the gym Mrs. Kilbasa danced with the kids and teachers from our school. Lennart and Lucas from 4c showed us some awesome magic tricks.

For lunch we ate sausages with bread and doughnuts and we drank apple spritzer.

Aaron from 3a can't wait for our next carnival party.

Thank you for this carnival party.

Your school reporters Anna and Arthur.
